SBA To Provide Economic Injury Disaster Loans For Coronavirus Related Economic Disruptions

U.S. Small Business Administration
SBA’s Disaster Declaration Makes Loans Available Due to the Coronavirus (COVID-19)

The U.S. Small Business Administration (SBA) is offering designated states and territories low-interest federal disaster loans for working capital to small businesses suffering substantial economic injury as a result of the Coronavirus (COVID-19).

Upon a request received from a state’s or territory’s Governor, SBA will issue under its own authority, as provide by the Coronavirus Preparedness and Response Supplement Appropriations Act that was recently signed by the President, an Economic Injury Disaster Loan declaration.
What businesses are eligible to apply?

SBA’s Economic Injury Disaster Loans (or working capital loans) are available to small businesses, small agricultural cooperatives, small aquaculture businesses and most private non-profit organizations

This includes:

• Businesses directly affected by the disaster
• Businesses that offer services directly related to the businesses in the declaration
• Other businesses indirectly related the industry that are likely to be harmed by losses in their community

(Example: Manufacturer of widgets may be eligible as well as the wholesaler and retailer of the product.)
What is the criteria for a loan approval?

**Credit History** - Applicants must have a credit history acceptable to SBA.

**Repayment** - SBA must determine that the applicant business has the ability to repay the SBA loan.

**Eligibility** - The applicant business must be physically located in a declared county and suffered working capital losses due to the declared disaster, not due to a downturn in the economy or other reasons.
SBA’s Economic Injury Disaster Loan Terms

How much can I borrow?

Eligible entities may qualify for loans up to $2 million.

The interest rates for this disaster are 3.75 percent for small businesses and 2.75 percent for nonprofit organizations with terms up to 30 years.

Eligibility for these working capital loans are based on the size (must be a small business) and type of business and its financial resources.

How can I use the loan funds?

These working capital loans may be used to pay fixed debts, payroll, accounts payable, and other bills that could have been paid had the disaster not occurred. The loans are not intended to replace lost sales or profits or for expansion.
What are the collateral requirements?

• Economic Injury Disaster Loans over $25,000 require collateral.

• SBA takes real estate as collateral when it is available.

• SBA will not decline a loan for lack of collateral, but requires borrowers to pledge what is available.
What kinds of small businesses can apply?

Examples of eligible industries include but are not limited to the following: hotels, recreational facilities, charter boats, manufactures, sports vendors, owners of rental property, restaurants, retailers, souvenir shops, travel agencies, and wholesalers.

What other criteria is involved?

The applicant business **must** have a physical presence in the declared disaster area. An applicant’s economic presence alone in a declared area does not meet this requirement. The physical presence must be tangible and significant. Merely having a P.O. Box in the disaster area would **not** qualify as a physical presence.
SBA’s Working Capital Loans are Different from Other SBA Loans

SBA’s Economic Injury Disaster Loan (EIDLs) funds come directly from the U.S. Treasury.

Applicants do not go through a bank to apply. Instead apply directly to SBA’s Disaster Assistance Program at: DisasterLoan.sba.gov

There is no cost to apply.

There is no obligation to take the loan if offered.

The maximum unsecured loan amount is $25,000.

Applicants can have an existing SBA Disaster Loan and still qualify for an EIDL for this disaster, but the loans cannot be consolidated.
Basic Filing Requirements

• Completed SBA loan application (SBA Form 5 or 5C).
• Tax Information Authorization (IRS Form 4506T) for the applicant, principals and affiliates.
• Complete copies of the most recent Federal Income Tax Return.
• Schedule of Liabilities (SBA Form 2202).
• Personal Financial Statement (SBA Form 413).

Other Information may also be requested.

*Although a paper application and forms are acceptable, filing electronically is easier, faster and more accurate.
Additional Filing Requirements

Other information that may be requested:

• Complete copy, including all schedules, of the most recent Federal income tax return for principals, general partners or managing member, and affiliates (see filing requirements for more information).

• If the most recent Federal income tax return has not been filed, a year-end profit-and-loss statement and balance sheet for that tax year.

• A current year-to-date profit-and-loss statement.

• Additional Filing Requirements (SBA Form 1368) providing monthly sales figures. (This is especially important for Economic Injury Disaster Loans.)
Ineligible Entities

What are some of the businesses that are ineligible for an Economic Injury Disaster Loan?

• Agricultural Enterprises - If the primary activity of the business (including its affiliates) is as defined in Section 18(b)(1) of the Small Business Act, neither the business nor its affiliates are eligible for EIDL assistance.

• Religious Organizations

• Charitable Organizations

• Gambling Concerns (Ex: Concerns that derive more than 1/3 of their annual gross revenue from legal gambling activities)

• Casinos & Racetracks (Ex: Businesses whose purpose for being is gambling (e.g., casinos, racetracks, poker parlors, etc.) are not eligible for EIDL assistance regardless of 1/3 criteria above.)

Submit Your Application
As Soon As Possible

Recheck the filing requirements to ensure that all the needed information is submitted.

The biggest reason for delays in processing is due to missing information. Make sure to complete all filing requirements before submitting the application and forms.

If more funds are needed, applicants can submit supporting documents and a request for an increase. If less funds are needed, applicants can request a reduction in the loan amount.

If the loan request is denied, the applicant will be given up to six months in which to provide new information and submit a written request for reconsideration.

Disaster Loan Application Progress

Statements Required by Laws and Executive Orders

Coastal Barrier Resources Act (Public Law 97-348)
Applicants whose property has been determined by the Federal Emergency Management Agency’s Flood Insurance Rate Maps (FIRMs), to be in a Coastal Barrier Resource Area (CBRA), are ineligible for SBA loan assistance due to Public Law.

The Coastal Barrier Resources Act (Public Law 97-348) prohibits Federal financial assistance to applicants located in the Coastal Barrier System.

Consequently, under the provisions of the law, for those applicants in the Coastal Barrier Resource Area, SBA Disaster Assistance is prevented from making any loan for:

1. Replacement or repair of physical damages or
2. Funds for economic injury loans or
3. Funds for relocation out of the Coastal Barrier Resource Area.

If you are a vacationer, or transient staying in the area on vacation, you may have eligibility for your personal property leases. To establish this eligibility you will be asked to provide documentation of your presence in the area at the time of the disaster and to support that your stay was temporary in nature.

Real Estate Repairs/Texas Homestead Law
If you intend to apply for any SBA funds to repair your home or family business, please carefully read and comply with the following. Texas law provides extensive protection for “Homeowner” property. Homeowner property includes your personal residence, and, in many cases, your family business. Texas homestead law directly affects SBA, as well as other lenders, who provide funds for the repair or acquisition of homestead property.

In order for SBA to place a valid lien on homestead property, you and a contractor must: 1) sign a Mechanic’s and Materialman’s Liens Contract (M & M Lien), Mechanic’s Lien Notes, and Assignment of Mechanic’s Lien, before you begin your repairs, and 2) file the signed contract for record in the County Recorder’s office of the county where your property is located. If you are waiting on SBA funds to begin your repairs, SBA will prepare and include all required mechanic’s lien documents with your closing papers, if and when your loan is approved.
